A small taste on the new collection.....

The Dutch artist Sacha d'Emans tells of her recent inspirations and introduces her new spring piece "Spring Garden". Her works are made especially for PremiumArt.co.uk

Spring Garden,

by Sacha d'Emans

" My dear friends, Today we were blessed with wonderful warm sunshine.

I feel everyone has been longing for days like today, when all sounds and colours take you to your dreams of fresh early spring, or an early spring holiday, or simply enjoying a cup of tea in the garden. Immediately gives you enthusiasm for everything in life. At least that is the case for me, and it has inspired me to a new sunny and a radiant canvas, 'Spring Garden' ".

Looking forward to more sunny days, with the full fragrance of Spring, inspiring my new collection for the coming year.

Wishing you all a spring filled with an abundance of colour and inspiration.
