A small taste on the new collection.....

## UK's leading Interiors Magazine

This Summer we will be featured in the UK's leading Interiors Magazine. Recently we were contacted by the editorial staff of "The Essential Kitchen Bathroom Bedroom Magazine". They are compiling a feature article of the 5 best bedroom art pieces. They have requested to use our "Sunset" painting by our very talented Helen Bissingar.

They were very impressed by the Art selection and style offered on our Premium Art site. In comparison with other online Galleries they felt our site was far superior.

Super to get this feedback from a creative professional source! So watch out for their feature article in their August issue.

## UK based Charity

Although we are a small business we are conscious of "giving back" to the community.

We would like your input to choose a UK based charity by the end of this year. Perhaps the Charity could receive a donation, or painting to raffle for their cause.

Do you have a charity which is close to your heart, which would benefit from such a donation? Just drop me a mail at [Christine@PremiumArt.co.uk](mailto:Christine@PremiumArt.co.uk) with your suggestion, perhaps with the charities name, contact details, and why you would like them to receive the donation.

We will publish the successful charity as soon as we have your input.

## Recent Inspirations

Sacha's works are made especially for PremiumArt.co.uk

*"When the sun and warm weather arrives all colours and sounds change. They always give me tremendous energy and inspiration to create new more colourful paintings. Something as simple as colour can do such a lot for you, so use it in any form, buy a beautiful bouquet of flowers or treat yourself to something that lasts longer ... a painting that makes you happy and gay."*
